Aspen's Adjustable CTO for Comfort and Support

Award Winning Cervical Care

For over 20 years beginning with the original Aspen Cervical Collar, Aspen has been the trusted name when only the best will do. The Vista Cervical Collar won the **Best Cervical Care Product** and the Vista CTO won the **Best New Technology** at the Spine Technology Awards.

Increased Motion Restriction

Perfect for those patients requiring more support than a cervical collar alone.

Effective Skin Care

Proven cotton-lined Aspen pads wick moisture from patient's skin while clickable polyurethane foam assures optimal pressure distribution.

One Size Adjustable

Adjustability on the patient makes it easy to get the perfect fit.

Locking Sternal Adjustment

Angle of support strut is easily locked in place to fit patient's anatomy.

Flexible Thoracic Adjustment

One size fits essentially all patient anatomies and unlocks to assist with patient repositioning.
